Dear Prospective Candidate,

Thank you for your interest in our U.S. Service Academies. Each year I have the privilege of nominating a limited number of people to four of the five Service Academies. The honor of attending a Service Academy comes with an obligation and commitment to serve within a branch of the U.S. Military for a minimum of five years upon graduation. For more information please review my Frequently Asked Questions handout for those seeking a Service Academy Nomination.

Also, *please note that my office is not the admissions office. Please make sure you have begun the application process for the respective academy or academies of your choice.* If you have any questions concerning where to access the admissions application or would like clarification on any part of the process, please contact my Service Academy Liaison or the selection committee.

I wish you the best of luck as you pursue your goal of attending one of the U. S. Service Academies and I thank you for your commitment to serve our country.

Sincerely,

Beto O'Rourke
